Carrer Objective

An enthusiastic web developer with strong experience in HTML, CSS, JavaScript, and AWS, seeking to join a forward-thinking company. I aim to contribute to increased productivity and innovation by leveraging my skills in web development, while continuously enhancing my technical expertise.

Experience

Cloud Computing With AWS — June 2024 – July 2024

Intern | HashTek solutions, Vishakapatnam, A.P

- Gained hands-on experience with Amazon Web Services (AWS) and cloud computing technologies.
- Assisted in deploying, managing, and scaling web applications using AWS tools such as EC2, S3, and AutoScaling.
- Collaborated with a team to optimize cloud resource allocation and security settings.
- Developed a strong foundation in AWS services for cloud storage, computing, and networking.

Key Skills:
- AWS EC2, S3, Auto Scaling
- Cloud computing and infrastructure management
- Automation and cloud optimization

Prodigy Info Tech — July 2024 – August 2024

Intern |Online

- Developed responsive web pages using HTML, CSS, JavaScript, and Bootstrap to enhance user experience.
- Built a weather app that fetched data from an API, displaying real-time weather information based on user location or input.
- Created a stopwatch web application with start, pause, reset, and lap functionality, applying event-driven programming techniques.
- Gained experience with version control using Git for project management and collaboration.

Key Skills:
- HTML, CSS, JavaScript, Bootstrap
- API integration and web app development
- Responsive design and user interface (UI) optimization
- Git version control and team collaboration

Certifications

- Backend and Api's certification by **freecodecamp.org**

- AWS cloud foundation Beginers certification
